# ON TAP

## Terminal Gravity IPA

British IPA | 6.9% ABV | 70 IBU's

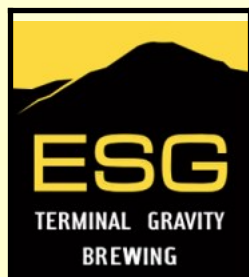

Terminal Gravity's IPA (Indian Pale Ale) is a copper to honey colored ale with a rich malt character and a clean bitter hop finish. This full bodied beer uses malts from Scotland, Belgium and the Pacific Northwest to achieve a slightly nutty lightly toasted taste. Yeast esters provide hints of stone fruits like apricot and peach, while hops from Yakima and Eastern Europe provide grapefruit and spicy notes.

## Terminal Gravity

## Extra Special Golden

American Golden Ale | 5.4% ABV | 18 IBU's

Terminal Gravity's American golden ale. It is light and refreshing, but also complex, with a crispness from flaked rye and a hint of peat smoke. Subtle hops from the Rhine and Yakima river valleys do not overwhelm.
